2026 – 2027

Where soft glam artistry meets
glowing, healthy and radiant skin.

about me

Hi, I'm Danusja, a licensed esthetician and professional makeup artist with over 17 years of experience.

My passion lies in helping clients feel effortlessly confident in their own skin — because makeup should enhance your glow, not hide it.

Every look I create begins with a skin-first approach: blending advanced skincare treatments with refined artistry so your makeup looks flawless, lasts all day, and feels like you.

Glowing makeup starts long before your wedding day.

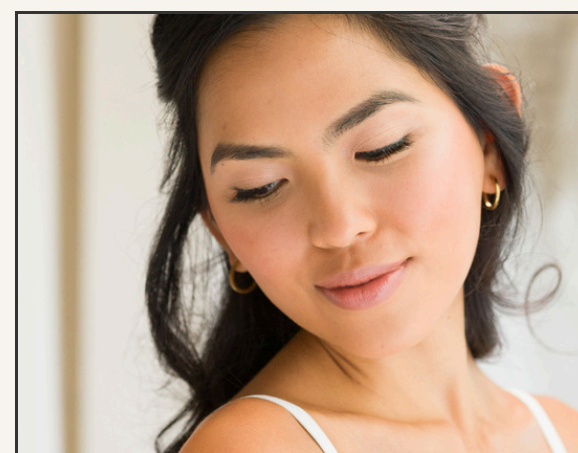

Each makeup application includes a customized mini facial to hydrate, smooth, and prep your skin — ensuring a radiant, photo-ready complexion from the first look to the last dance.

my style

My signature style is **soft glam, neutral glam, and natural beauty** — timeless looks that enhance your features without hiding who you are.

I know booking makeup can feel intimidating, especially if you don't wear it often. My goal is to create a look that feels authentically you — polished, comfortable, and radiant in every photo.

With my background in skincare, I specialize in glowing, smooth complexions and am experienced in enhancing mature skin, problematic skin, and all ages and genders ensuring brides, mothers, and grandmothers all feel beautiful and confident at every age.

my pricing

Bridal trials are highly recommended 4 to 8 weeks before the wedding to finalize the look and test skincare compatibility. Use it towards your engagement photos or an event. The trial is booked in studio. The wedding application is on location and includes a customized mini facial and intensive skin care prep prior to the makeup, with a focus on glowing, healthy skin. Lashes and a touch up kit is included for the wedding day.
